

IMPORTANT INFORMATION

- **Resiliency & Prevention Programs:** The Club includes, as part of our programming, nationally recognized youth programs. Enrollment in summer camp is the Club's authorization for your child to participate in these programs.
Programs taught are age appropriate.
- **Meals:** Not included. Members are to bring a sack lunch daily unless a field trip includes lunch. Members may bring breakfast and snacks to the Club. There is also a vending machine and a snack bar that will be open during designated snack times. There are no provisions to refrigerate or heat lunch items due to the volume of campers. Insulated lunch bags are recommended. Make sure the member's name is on their lunch container.
- **Parent/Member Handbook:** This document can be located on our website www.bgcdentoncounty.org. The handbook was prepared to provide parents, guardians, and members specific information about processes and procedures employed at the Club. It is recommended that the contents of this handbook be read as it will answer many questions relating to our operation including when we are closed.
- **Field Trips:** The payment of the monthly camp fees certifies that you understand that all precautions will be taken to prevent any accident and that you release the Boys & Girls Clubs of Denton County, Inc., the City of Lake Dallas, its agents, and employees from any liability for any accident or injury involving your child/children while participating in a Club field trip. In case of emergency, the Club will attempt to reach the parent first and then move to the emergency contact list. The Club further reserves the right to change the field trip site and/or date depending upon operational requirements at the Boys & Girls Clubs of Denton County or due to a problem with the service provider.
- **Financial Aid :** Families receiving financial aid will add \$ 35 per month for field trips. Payment in full is due on or before the first of the month unless special arrangements have been approved. If you were approved for financial aid and your volunteer service hours have not been fulfilled as outlined in your agreement, arrangements must be made for your volunteer services or aid will be terminated and you will be billed full amount the difference. Additionally, financial aid will not be considered for reinstatement until the month following completion of your volunteer service hours.
